REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or render obvious a system and a method for implementing surgical procedures in said system, comprising, inter alia, an end effector comprising a blade; a generator console for controlling the hand piece; a memory disposed in the end effector which adjusts the operation of the console and stores a handicap limit and disable limit; wherein the console reads the information stored in the memory to determine if a copyrighted data string is present and instructs the hand piece in a handicap mode if a number of defective blades found in a time period of operating the hand piece exceeds the handicap limit, and the console disables the hand piece if the number of defective blades found in the time period exceeds the disable limit.

The prior art also fails to teach or render obvious a system comprising, inter alia, an end effector; a generator console for controlling the handpiece; a memory disposed on the end-effector which adjusts the operation of the generator console; an adapter, wherein the memory communicates with the adapter through electromagnetic signal coupling and wherein the adapter conveys the information via the electromagnetic signal coupling to the handpiece.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
